

19 Jannali Crescent JANNALI NSW

Located in a quiet tree lined street this beautiful home is perfect for the family and designed to entertain! You really must see it to appreciate it! No hassles just move in straight away as there is not a cent to spend! All 3 bedrooms have built-ins & ceiling fans, the ducted air conditioning will keep you cool in summer and warm in winter, the lovely timber polish floorboards really add a warm feel to this home as they flow through the bedrooms and out into the living areas, the east aspect provides lots of natural light. The large open plan kitchen with a breakfast bar has lots of cupboard & bench space which opens onto the spacious family room which opens to a covered entertainer's decking, perfect for indoor/outdoor living. The lovely green leafy outlook from the decking & family room is fantastic and puts you back in touch with nature! I'll say it again-this home has really has been designed to entertain while at the same time perfect for raising the children. The decking
