

3/16 Arthur Avenue CRONULLA NSW

4 2 3

The developers of the boutique development 'Rockpool' have released their latest project 'Aurora'.

Aurora will be built by the same builder Pickup Developments.

Aurora is a ocean front luxury three bedroom unit in a three level development, with each separate unit boasting 4 bedrooms, 3 car garaging, huge ocean front balconies with swim out spas, cbus automation, media room and so much more.

'Aurora' will be one of the only brand new ocean front boutique developments built in the next 2-5 years and its expected to be finished mid year 2014.
