

BARDEN RIDGE

3  1  1 

Your going to love this home with three good sized bedrooms, r/c air conditioning system for those hot summer days fast approaching, beautiful landscaped gardens, a single lock all garage with auto door so you will never be caught outside in the rain, and you even have a rain water tank so water supply should never be a problem. With two living areas, a fantastic bush outlook this property really feels like a home and has everything to offer to that buyer that just wants it all. Why wouldn't you have a closer look inside!
